Project ALCATRAZ

1. **Information Objectives:** Sozialistische Einheitspartei Deutschlands (SED): clandestine activities, operatives engaged in espionage, cover organizations.
2. **Specific Targets:** Central Committee of the SED, Kominform, SED news services and organs.
3. **Covert Personnel:** CAMLET (formerly).
4. **Proposed method of control and contact:** Control is ideological. CAMLET's primary loyalty belongs to the Social Democrat Party, and his collaboration with us is conditioned by what he conceives to be in the best interest of that party. He is a vigorous and outspoken opponent of the SED. The information he imparts dwells exclusively on discreditable aspects of Soviet rule and SED policies. Briefing and debriefing is done orally at meetings with case officer in the SC operational house, and, in greater detail, through CAMISE.
5. **Proposed cover:**
 - For agent: Newspaper editor.
 - For case officer: L, political intelligence officer on the Political Adviser's staff.
 - For Organization: Political Adviser's Office.
6. **Estimated Costs:**
 - a. **Contract status:** None.
 - b. **Supplies per month:** 2 bottles liquor, 2 lbs coffee, 2 lbs sugar. Official entertainment about twice a month.
 - c. **Money salary per month:** None
 - d. **Travel and other expenses per month:** A moderate amount of foreign currency "pocket money" when invited abroad.
 - e. **Services:** None.
 - f. **Possible disposal costs if**
 1. **Personnel simply dropped:** None.
 - ii. **Security hazards require flight and resettlement:** None.
 - iii. **Personnel is captured or killed while operating for us:** None.

- g. Possible organizational obligations inherent in developing this project: CAMLET is contemplating a visit to the United States, where one major objective will be to activate a New York office representing the interests of his paper. Any assistance we can render him in the States will necessarily strengthen our hold on him, and raise the prestige of the case officer running CAMLET. This is an important consideration in dealing with an ambitious empire builder of his caliber.
7. Other major factors: CAMLET is fully cognizant of CAMISE's position in relation to us. She was, in fact, employed by CAMLET on the strength of that relationship. If at any time it should become necessary to liquidate CAMLET, the above must be borne in mind. As far as we can judge, CAMLET has been exceedingly discreet in concealing CAMISE's function from his collaborators.
